30th July 2026

Dear Fellow Investors,

Greetings on behalf of NSEL Investors Forum (NIF)

We are thrilled to inform you that Hon'ble MPID Court has also confirmed the One Time Settlement and have ordered release of funds for the purpose of Settlement.

We would like to acknowledge the efforts of our legal counsels as well as the team of NSEL & 63moons who could make this possible in the shortest possible time despite having the matter reargued.

As we inch closer towards completion of settlement, we have started the process of collating the details of the investors for the purpose of Settlement Payout who satisfy the following criteria

- a. Balances have been reconciled with NIF, and
- b. KYC documents have been uploaded and verified.

For those investors whose balance outstanding is not confirmed or those whose balances are reconciled but have not uploaded the documents, kindly do so on <https://nse-ots.in/> so as to enable our team to verify and place your details in the settlement payout list.

Over the coming days, we will be notifying the investors via email of any discrepancies in the documents that have been submitted. If you receive such a communication, we request that you update the required information promptly to avoid any delay in the payout process.

Our help desk team will be available from Monday to Friday between 11 am to 5 pm on 8097361921, 8097365262, 8097358980 should you have any questions or require assistance.

We sincerely thank you for your continued patience, trust, and unwavering support throughout this journey.

We will continue to keep you informed of all significant developments relating to the OTS.

Thanking you

Team NIF
